CUSTOMIZE YOUR SUMMER!

with our new **CAMP CONNECTOR**

Throughout this Activity Guide, you will see a number of camps that include a **CAMP CONNECTOR** option. **CAMP CONNECTOR** is a scheduling option designed to allow you to conveniently link together a full day of camp experiences. The **CAMP CONNECTOR** provides supplemental pre-camp Morning extended care, Noon, or post-camp Afternoon extended care. With **CAMP CONNECTOR**, your child can experience a comprehensive, well-rounded summer camp program each week, and you never have to leave home or work to get them there!

The **CAMP CONNECTOR** is offered every week for select camps located at four locations: Shannon Community Center, Dublin Library, Stager Gym/Dublin High/Swim Center, and Fallon Sports Park/Passatempo Park). **CAMP CONNECTOR** also allows you to customize an experience that fits YOUR schedule AND meets your child's interests. **CAMP CONNECTOR** is available in coordination with traditional day-camps, as well as specialty camps, including: sports, art, cooking and science. Extended care options offer the best of both worlds by allowing you to sign up for day camp and specialty camps located at one of the four locations. When it's time for your child's camp to begin, our staff will walk your child safely to the instructor. Awesome, right?

Here's how it works:

- 1** Register your child for a morning camp at one of the four locations. (e.g. Camp Sunrise at Shannon Community Center from 9 AM-12 PM)
- 2** Register for the Noon **CAMP CONNECTOR** at the SAME site that the camp is being held. Staff will pick up and supervise your child for the lunch hour (12-1 PM). **Please note that lunch is not provided.**
- 3** Register your child for an afternoon camp at the SAME location as the morning camp. Staff will ensure your child is dropped off at their afternoon camp. (e.g. Cooking Camp at Shannon Community Center from 1-4 PM)
- 4** If you are a working parent or need to drop off your child a bit early, or pick them up a little later – register for the Morning or Afternoon extended care **CAMP CONNECTOR** at the SAME location.

It's that easy!

Remember, **CAMP CONNECTOR** is an add-on feature. You can sign up for a full day of camps, or just the ones you want. If you do choose to utilize the **CAMP CONNECTOR**, please register for your camp first, then select your **CAMP CONNECTOR** options.

Please see page 22 for more information.

Choose a full day of options, including our extended care services, or just the camps your child is interested in attending. Use the **CAMP CONNECTOR*** to turn half-day camps into a full-day experience (without having to pick up your child in between). Add one, or all three **CAMP CONNECTORS** to customize a camp schedule that works for you! Please note: Lunch is not provided during the Noon **CAMP CONNECTOR**.

**to offer this service, a minimum of 8 participants must be enrolled 2 weeks before the start of each camp*

Camp descriptions can be found on pages 22 to 34.

CAMP DESCRIPTIONS

CAMP CONNECTOR

Morning, Noon and Afternoon CAMP CONNECTOR

Our all new Camp Connector is designed to allow you to conveniently link together a full day of camps. Camp Connector offers supplemental pre-camp Morning extended care, Noon, and post-camp Afternoon extended care. It's offered every week for select camps at four locations: Shannon Community Center, Dublin Library, Stager Gym/Dublin High/Swim Center, and Fallon Sports Park/Passatempo Park). Camp Connector allows you to customize an experience that fits your schedule and meets your child's interests. Sign up for a full day of camps, or just the ones you want. Please register for your camp first, then select your Camp Connector options. All campers should bring a refillable water bottle.

Morning Camp Connector

This connector is for morning care from 7:30 AM-9:00 AM. City recreation staff will escort children to their 9:00 AM camp.

Noon Camp Connector

This connector is for lunch time care from 12:00 PM-1:00 PM. City recreation staff will pick up children from their morning camp, supervise them during lunch time, and then escort them to their 1:00 PM camp. *Please note: Lunch is not provided during the Noon Camp Connector. Campers should bring lunch and a refillable water bottle.*

Afternoon Camp Connector

Afternoon care is provided from 4:00 PM-6:00 PM. City recreation staff will pick up children from their afternoon camp and supervise them until they are picked up.

Please note: A minimum of 8 participants must be enrolled 2 weeks before the start of each camp to avoid cancellation.

Afternoon CAMP CONNECTOR with a Swim Lesson

This option includes a 25-minute swim lesson while participating in the Afternoon Camp Connector program. Swimming ability will be assessed on the first day of camp, and each participant will be assigned to an appropriate level for the remainder of the week. Lessons will occur Monday through Thursday between 4:15 PM and 5:30 PM.

NEW! Tink and the Pirate Fairies Dance Camp

With fairy dust anything is possible! Come and leap over lily pads, hop onto pirate ships, and dance to the music from Disney's Pirate Fairy movie. Crafts will include designing fairy wings and wands, making a pirate hat, and creating a fairy garden.

Instructor: Studio 8

3½ - 6 Years Week 10

NEW! Broadway Stars: Annie, the Musical

Campers will learn a condensed version of one of the most beloved musicals of all time, *Annie*. Act, sing and dance to some of the greatest musical theatre hits ever written, including "Tomorrow" and "Hard Knock Life." Little orphan Annie charms everyone's hearts while trying to find her parents who abandoned her years ago on the doorstep of a New York City orphanage run by the cruel Miss Hannigan. With the help of the other girls in the orphanage, Annie escapes to the wondrous world of NYC. In a fun-filled adventure, she finds a new home and family with billionaire Oliver Warbucks, and a lovable mutt named Sandy. Campers will receive parts and scripts and will rehearse lines, songs and dance routines. The camp will culminate with a performance. Simple costumes will be provided.

Instructor: Studio 8

6 - 12 Years Week 10

NEW! Peter Pan, Junior: A Musical

Based on the Disney film and J.M. Barrie's enchanting play, Disney's Peter Pan, Junior is a modern version of the timeless tale about a boy who wouldn't grow up. Wendy Darling loves to tell stories to her brothers, Michael and John. But when her father announces she must move out of the nursery, Peter Pan comes to visit the children and whisks them away to Never Land. Their adventure introduces them to the Lost Boys, Mermaids, Indians, and even the infamous pirate, Captain Hook! The score includes classic Disney songs, such as "Following the Leader," "You Can Fly," "The Second Star to the Right," and "Yo Ho, A Pirate's Life for Me." Everyone is cast. Final performances will be held on August 8 and 9; \$5 admission will be charged for entry.

Simple, yet scrumptious breakfast and lunch—"brunch"—recipes will surprise your palate and pocketbook: biscuits sandwiches, quiche, savory muffins, and brunch punch! Each participant will receive a recipe booklet. We will also cover the following fundamental skills: nutrition, kitchen safety, sanitation for every day, culinary knife skills, and everyday etiquette.

Instructor: Culinary Kids

11 - 15 Years Week 9

NEW! Authentic Asian Creations

Take a trip around the world in the kitchen and visit countries like Japan, China, and Korea. Experience recipes like traditional stir fry, sushi, dumplings, and of course—noodles! We will explore a variety of vegetables, fish, and sauces, and how to make them for any occasion. You'll even learn the trick to using chopsticks! Each participant will receive a recipe booklet. We will also cover the following fundamental skills: nutrition, kitchen safety, sanitation for every day, culinary knife skills, and everyday etiquette.

Instructor: Culinary Kids

6 - 12 Years Week 10

NEW! Healthy American Classics

Learn easy, healthy makeovers of classic American fare, and develop healthy habits to last a lifetime. Cut the calories but not the flavor of the all-American burger, mac and cheese, fried chicken, and even spaghetti and meatballs. By changing techniques and ingredients you can enjoy these foods more often, while eating healthier, and happier! Each participant will receive a recipe booklet. We will also cover the following fundamental skills: nutrition, kitchen safety, sanitation for every day, culinary knife skills, and everyday etiquette.

Instructor: Culinary Kids

6 - 12 Years Week 10

NEW! Mangia, Mangia I

Learn about the ingredients of Italy and simple, everyday classic family meals that you can make at home. You will learn how to make authentic pizza and pasta, with flavors of Italy that will impress your family and friends! From Marinara sauce, to Alfredo and Bruschetta, to Panzanella salad, and even fresh pesto and Gnocchi, you'll learn the best techniques and tricks to delicious Italian cuisine. Each participant will receive a recipe booklet. We will also cover the following fundamental skills: nutrition, kitchen safety, sanitation for every day, culinary knife skills, and everyday etiquette.

Instructor: Culinary Kids

6 - 12 Years Week 4

NEW! Maravilloso Mexico

Traditional Spanish flare in everyday Mexican dishes will enable you to enjoy easy ways to make your favorites like Enchiladas, Arroz Con Pollo, tortillas from scratch, and the best salsa and guacamole ever! Learn about traditions, authentic ingredients, and the everyday language that will impress your family and friends. Each participant will receive a recipe booklet. We will also cover the following fundamental skills: nutrition, kitchen safety, sanitation for every day, culinary knife skills, and everyday etiquette.

Instructor: Culinary Kids

8 - 13 Years Week 4

NEW! Summer Beach Party

Easy, classic summer snacks, fresh sippers, and party ideas to make your next party a splash! Learn how to make ice cream, popsicles, summer salads, fruit snacks, and refreshing summer drinks. Each participant will receive a recipe booklet. We will also cover the following fundamental skills: nutrition, kitchen safety, sanitation for every day, culinary knife skills, and everyday etiquette.

Instructor: Culinary Kids

8 - 13 Years Week 6

NEW! The Better Baker

Take this beginners course to understanding proper baking techniques, and the chemistry involved in making perfect cookies, cakes, and desserts from scratch. Learn savory recipes that require doughs such as puff pastry and phyllo. Each participant will receive a recipe booklet. We will also cover the following fundamental skills: nutrition, kitchen safety, sanitation for every day, culinary knife skills, and everyday etiquette.

Instructor: Culinary Kids

6 - 12 Years Week 7

NEW! KinderBOTS

A unique program that is aimed at fostering creativity through science and technology in young children, our KinderBOTS program has a strong focus on introducing simple engineering and technology concepts to tiny tots in a fun, hands-on way. Our custom-designed curriculum encourages children to ask questions about these concepts as they relate to our everyday life. What is a gear? What is a pulley? Where do we see them? Can I build one? All this and more in this fantastic camp! Participants will receive a kit and a computer to work on, and will be taught how to program their robot using simple drag-and-drop programming. Small class size ensures plenty of help, guidance and one-on-one attention.

Instructor: Tiny Techs Club

3½ - 6 Years Week 4

NEW! Dino-Robot Creators Academy

Become a master robot builder! Design your own electric powered Dino-Robot and get ready to race in our Jurassic Arena! Enter the raging chemistry reaction lab where things fizz, pop, ooze and glow. Experiment with slime, instant pouring light, edible growing polymers and more.

Instructor: Destination Science

5 - 11 Years Week 1

Fun with Science and Engineering Camp

Have fun building hands-on projects and performing science experiments. Campers will engage in projects such as building a catapult or a rubber band powered car, and run lab experiments such as the Density Lab or the Eruption Lab. This fun camp exposes campers to STEM (Science, Technology, Engineering, Math), the scientific method, planning, prioritizing, time management, and organization. Campers will gain a better understanding about the way things around them work, and will learn how to break down and analyze problems.

Instructor: Pon Academics

6 - 12 Years Weeks 6 & 9

NEW! Amazing Superhero Science

Superhero training starts here! At camp, you will be the superhero and use your science powers to defeat super villains. Can you discover a superhero power from a bat and build your own supersonic listening device? Meet Rosy and discover her spider powers. What makes a superhero invisible? Grow your own disappearing mini-superhero sidekick.

Instructor: Destination Science

5 - 11 Years Week 3

Pre-Engineering using LEGO®

Let your imagination run wild with tens of thousands of LEGO®! Build engineer-designed projects such as boats, bridges, mazes and motorized cars, and use special pieces to create your own unique design! Explore the endless creative possibilities of the LEGO® building system with the guidance of an experienced Play-Well instructor.

Instructor: Play Well Technologies

5 - 6 Years Week 10

LEGO® Flix

We know you love LEGO® and we know you can create incredible worlds. Now it's time to bring those worlds to life in LEGO® animated flix! We provide the LEGO®, and you bring your imagination. Campers will create a LEGO® set with LEGO® characters for a movie they storyboard, write, shoot, and voice-over in age-appropriate groups. Flix are downloadable for one month after camp ends.

Instructor: Incrediflix Studios

7 - 13 Years Week 2

Imagination Flix

Take your characters underwater, into a volcano, or even into outer space! In this exciting stop-motion animation camp, there are no limits to where your imagination can go. Brainstorm, create your own clay characters (that you'll keep), film your movies using a green screen, choose the backgrounds, and add voice-overs. Flix are downloadable for one month after camp ends.

Instructor: Incrediflix Studios

7 - 13 Years Week 2

NEW! Live Action Flix

Do you want to have a blast making a movie? We'll guide you from "Action!" to "That's a wrap!" as you brainstorm, location scout, bring in props and costumes, act, and direct in a collaborative movie that will be fun for the entire audience. Flix are downloadable for one month after camp ends.

Instructor: Incrediflix Studios

7 - 13 Years Week 7

NEW! Minecraft Flix

Kids love Minecraft! Let their imagination guide them as they turn this popular video game into an exciting Minecraft world made out of paper. Using stop-motion animation, participants will bring Steve, the creepers, animals and more to life. Campers will write, storyboard, shoot, and add voice-overs. Flix are downloadable for one month after camp ends.

Instructor: Incrediflix Studios

7 - 13 Years Week 7

Incrediflix Camp

Sign up for full day of Incrediflix camp! Attend a morning camp, followed by a supervised lunch, and an afternoon camp.

7 - 13 Years Weeks 2, 7

NEW! Girl-Powered Engineering

A NEW Play-Well offering for girls who love to build! This camp will provide a supportive environment for girls to apply real-world concepts in physics, engineering, and architecture through engineer-designed projects such as arch bridges, motorized cars, skyscrapers and amusement parks! Design and build as never before, and explore the craziest ideas in an interactive environment. Curriculum created for LEGO® lovers and newbies alike!

Instructor: Play Well Technologies

5 - 8 Years Week 5

Jedi Engineering using LEGO®

Young Jedi will explore worlds far, far away and engineering principles right in front of them. Defeat the Empire by designing and refining LEGO® X-Wings, R2-units, and settlements on far-flung edges of the galaxy. Imagination and engineering combine to create motorized and architectural projects such as energy catapults, shield generators and defense turrets.

Instructor: Play Well Technologies

5 - 6 Years Week 1

Jedi Master Engineering using LEGO®

The Force is strong in this camp. Build complex machines and structures based on the best designs from a galaxy far, far away. Projects include LEGO® X-Wings, AT-AT walkers, Pod Racers, Star Destroyers, Cloud Cities, settlements, and fortresses. Play-Well's Jedi instructors reinforce key engineering concepts such as gear trains, worm drives, pneumatics, eccentric motion and more as campers tap into the powerful forces of imagination and engineering.

Instructor: Play Well Technologies

7 - 12 Years Week 1

NEW! Pocket Brick Monsters with LEGO® Bricks

Get ready for an adventure in the world of Pokémon®! Capture wild Pokémon® creatures and train them for battle. Improve your accuracy and power as you learn new moves and use special abilities. Tap into your inner engineer as we build Dratini, Pikachu, Poké Balls, and more. Show off your skills as you battle for power in your journey through the Pokémon® universe. Do you have what it takes to become a Pokémon® Master? Bring your own Pokémon® trading cards if you wish to play and trade at the end of each day.

Instructor: Bricks 4 Kidz

5 - 12 Years Week 9

NEW! Engineering FUNdamentals: Mine, Craft, Build

Bring Minecraft to life using LEGO®! Build a motorized walking Creeper, a terrifying Ghast, and a motorized Minecart! This project-based course, designed by Play-Well instructors, combines the basic format of our core engineering-themed programs based on the world of Minecraft. Campers will explore real-world concepts in physics, engineering, and architecture while building their favorite Minecraft objects. Have a blast, even without any prior experience with Minecraft or LEGO®.

Instructor: Play Well Technologies

7 - 12 Years Week 5

NEW! Extreme Expedition

Form a team to face the challenge of our extreme expedition camp. Search the globe for bricks and other resources needed to construct a base in the Himalayan Mountains and complete your expedition. Encounter Worst Case Scenario survival challenges, face forces of nature, and construct transportation equipment to bring your team together from around the globe. Do you have what it takes to face extreme brick adventures?

Instructor: Bricks 4 Kidz

5 - 12 Years Week 3

Bash'em Bots with LEGO®

Have you ever wanted to learn how to make a massive motorized LEGO® machine? Our Play Well Engineering instructors guide campers in this advanced Play-Well engineering course, as they re-engineer standard LEGO® vehicles into mechanized machines that can traverse challenging obstacles, battle against fellow bots, and take on Play-Well Instructors' colossal creations.

Instructor: Play Well Technologies

7 - 12 Years Week 10

NEW! Clash of Bricks with LEGO® Bricks

Gather your barbarians and archers! It's time for battle—Bricks 4 Kidz style! Collect and store gold and elixir to train troops and build villages. Stop at nothing to defend your village from enemy attacks! Experience the thrill of battling barbarians, greedy goblins, powerful PEKKAs, and wild wall breakers. All this and more at Clash of Bricks camp!

Instructor: Bricks 4 Kidz

5 - 12 Years Week 9

NEW! Roaring Rockets and Beyond

Three...two...one...liftoff! Explore the universe as you build your own roaring rocket and launch it over 1,000 feet!

Instructor: Destination Science

5 - 11 Years Week 2

RobotED: BattleBots

Go onto the battlefield with Robotics 101! Build a Ninja Star to learn gear ratios. Construct a battering ram and a catapult! Fly the bomber plane to see a tilt sensor and fence with a minifig to see how a crank works. All this and more in this fantastic camp—a great blend of creativity, technology and science! Campers work in pairs and each team is provided with a kit and computer. Skill cards show the robots built and concepts covered. Give your child the opportunity to learn how things work!

Instructor: Tiny Techs Club

7 - 10 Years Week 5

RobotED: HobbitLand

Travel through Middle Earth! Learn about pulleys to escape the hungry trolls, see cranks in action when Smaug slithers through treasure, and power Legolose's bow with a gearbox. This camp is a great blend of creativity, problem solving, programming and engineering. Take home skill cards show the concepts covered. Give your child the opportunity to learn fundamentals of simple machines. Children will work in teams of two. All equipment provided.

Instructor: Tiny Techs Club

7 - 11 Years Week 8

RobotED: GameBots

Ready, set, play! Inspired by your favorite video and arcade games, this theme will teach the fundamentals of every day mechanics like gears, levers, and pulleys. Take home a daily focus craft with our 'SnappleFacts' page. Discover creativity, science, technology and fun in this hands-on camp! Exclusive curriculum, computers and kits are provided. Game on!

Instructor: Tiny Techs Club

7 - 11 Years Week 9

NEW! Space Adventures

Campers will learn about real-life space exploration and build a new model related to the NASA space program. Models include a satellite, a lunar module, a centrifuge that astronauts use to prepare for the physical sensations of launch, a treadmill that astronauts use to stay fit in space, and a 'space robot.' Campers will also learn some of the science behind launching things into orbit, will hear about the most distant man-made object in the universe, and discuss what it's like to be an astronaut in space. Let Bricks 4 Kidz launch your imagination to outer-space and beyond!

Instructor: Bricks 4 Kidz

5 - 12 Years Week 3

Let's Make Movies! Video Production

Learn the basics of moviemaking in this active hands-on camp. Participants, working in small production groups, learn all the steps from creating a storyboard, to filming a scene and editing a movie using a camcorder and laptop. Participants begin with an action film that is pre-storyboarded into a sequence of 18 various shots, angles and techniques assembled into a short video, then create a music video, movie trailer, news show, TV commercial and learn how to use a "green screen" for creating special effects. Everyone receives a DVD of the camp projects. Camp is taught by a professional video producer and high school/college instructor.

Instructor: Bart Cox

8 - 14 Years Week 1

Special Effects: Video Production

Explore the world of special effects filmmaking, using green screen technology in this active hands-on camp. Green screen technology is the basis of the effects seen in everything from the latest Hollywood blockbusters to the weather forecast. The idea is simple: shoot a video with a single colored (green) backdrop, and computer editing software allows you to make that color transparent—replacing it with any other video clip, graphic or still image. With green screen, it's easy to superimpose anything or anyone into any shot. Transport yourself to the moon, fly through the skies, appear in a movie—the ideas are endless. Everyone receives a DVD of the camp projects.

Instructor: Bart Cox

8 - 14 Years Week 1

Television News Production

Explore the exciting world of TV news production. This is an active, hands-on class where you will learn how a TV broadcast news program is created, from being a news anchor, reporter, camera or sound operator, to writing and creating news stories, and directing. Campers will use professional equipment, including green screen technology. Create your own news report, commercial, entertainment/sports segment, weather report, and more! Bart Cox is a professional media producer and certified video and broadcast production teacher. Each participant will receive a DVD.

Instructor: Bart Cox

9 - 14 Years Week 9

Young Creators: Stop Motion Animation

Work with your favorite toys to create fun and original animations! Learning materials, software and cameras are provided. Campers work together to create an original story and then create their story through animation. Basic concepts such as camera angles, storyboards, scripting elements and theme will be introduced. Campers will also do voice-over work for their movie and add a musical score.

Instructor: Freshi Media

7 - 12 Years Week 9

Tech Builders: Digital Animation

Young animators learn computer software techniques to create digitally animated characters and stories. Campers will learn skills that help with computer drawing, character creation and movement, voice-over work, character interaction, and speech. Campers will work in small groups, focusing on learning introductory computer animation techniques.

Instructor: Freshi Media

8 - 12 Years Week 4

NEW! AnimatED: SpaceVoyage

Get your "Hour of Code" right here! Learn how to create simple animated storylines using SCRATCH! Exclusive curriculum by Tiny Techs Club lets your child experiment with digital art and technology simultaneously! NEW this year—create different space adventures in animation using a wide gallery of space-themed tasks and sprites! This camp is a great way to introduce simple programming and animation to your student.

Instructor: Tiny Techs Club

7 - 11 Years Week 6

NEW! Young Creators: Super Hero Adventures!

Campers become the creators and make their own digital comic book, complete with heroes, villains and epic adventures! Working with Comic Life software, kids create an original multi-page full color comic. By the end of camp, participants will have an interesting comic series to share with family and friends!

Instructor: Freshi Media

7 - 12 Years Week 9

NEW! Video Game Design: First Steps!

Learn how to create and design an original video game with Freshi Game Design! Young game developers will work in pairs to conceive, design and build an original computer game. Learn techniques to create characters and levels, and have fun making characters fly and bounce around the game screen!

Instructor: Freshi Media

5 - 8 Years Week 5

Beginning Video Game Design

Learn how to create and design an original, interactive video game! Beginning game developers work with partners to conceive, design and build an original computer game. Everything created is original to the team, and campers use creative and critical thinking to complete their games.

Instructor: Freshi Media

8 - 12 Years Week 5

Tech Builders: App Design with PC

The Freshi Media app development experience is a fun and exciting introduction to learning different aspects of app design. Each day will introduce a new app concept where campers create their own graphics and then program them into their mobile app test project. Emphasis is placed on exposing campers to basic concepts, giving them a taste of what it is like to design and develop mobile apps.

Instructor: Freshi Media

8 - 12 Years Week 4

Ninja Camp

This camp will focus on the stealthy techniques taught years ago. Ninja rolls, spins, foam weapon training and all the cool hand and foot techniques will be taught and reviewed. There are two workouts each day for approximately 45 minutes each. The rest of the day is filled with physical games, a movie at lunch, and other sports-type activities. This camp is geared toward the beginning martial artist. Campers receive a T-shirt.

Instructor: Martial Arts America

SPORTS CAMPS

British Soccer Camp

Not only will kids learn how to dribble, pass, shoot, tackle, and head the ball, but they will also learn about respect, responsibility, integrity, leadership and sportsmanship—all while learning how soccer is played around the world. British coaches turn a normal week of soccer camp into a magical cultural experience. Fun games, competitions and skill-building activities are designed to enlighten and develop budding players. Campers will be grouped by age and skill levels, and will receive a camp shirt and ball, a giant soccer poster, and a personal player evaluation.

Host a Coach program: British soccer camp coaches are coming from the UK to coach camps in Dublin and we are looking for parents to host coaches in their homes from August 2-9. Coaches need a place to sleep and shower, and meals provided throughout the week. They will have a rental car so transportation is not required. If you host a coach you will also receive an \$80 camp rebate (for each coach you host). We hope you'll consider taking part in this great experience. If interested, please contact Lee Dunne at (916) 596-1664 or at ldunne@challengersports.com.

Instructor: Challenger Sports Soccer staff

6 - 14 Years Week 8

British Soccer Mini-Camp

Simply put, amazing coaches, awesome accents, innovative practices and a unique cultural twist combine for a one-of-a-kind camp experience! With a full-time recruitment and training program in the UK, and thousands of qualified candidates to choose from, Challenger only recruits the most talented and enthusiastic coaches who have a genuine interest in providing your player with a memorable and positive experience! Please see **Host a Coach** info above.

SWIMMING LESSONS

The City of Dublin's swim lesson program is designed to promote learning in a safe and comfortable swimming environment. Our instructors are fully trained with the latest swimming and water safety instructional techniques.

Please read the course descriptions carefully before you select a class, to ensure that the student is placed in the appropriate level. Classes are available for all ages and abilities. Each level of the program includes training in basic water safety, in addition to the skills outlined below.

Swim lessons are held rain or shine.

Tiny Tots and Toddler Lessons

Pollywogs (Parent/Tiny Tots) – Ages 6 months to 2 years

Guppies (Parent/Toddler) – Ages 3 years to 4 years

Are you looking to start your young child's relationship with the water? This water exploration class is designed to give young students exposure to water safety and swimming techniques. The adult is the primary instructor for the student and will be required to be in the water. All classes will be directed by an instructor who will lead the class through age-appropriate water games and beginning swimming techniques to enhance the child's comfort in the water.

Preschool Lessons (Ages 3 – 5 years)

For the following levels, the student must be willing to work without a parent in the water.

Minnows PS1: Water Exploration

Do you want to start your child in swimming lessons? This class focuses on the most elementary aquatic skills which your child will continue to build on as they progress through the swim lesson levels. At this first level, children start developing good attitudes and safe practices through supported teaching techniques that will enhance their comfort in and around the water.

Starfish PS2: Primary Skills

The objectives of this class are to build on the basic aquatic skills learned in the Minnows class and to give participants further success with fundamental aquatic skills performed to a slightly more advanced degree than at the Minnows class. This level marks the beginning of independent aquatic locomotion skills.

Prerequisite: Completion of Minnows or equivalent course

Seahorse PS3: Stroke Readiness

This class is designed for children that can swim on their front and back for a minimum of 15 feet and are comfortable submerging themselves underwater. Participants continue to improve coordination of combined arm and leg actions. As in all levels, additional safety skills will be presented.

Prerequisite: Completion of Starfish or equivalent course

Youth Lessons (Ages 6 – 14 years)

Otters Y1: Introduction to Water Skills

Do you want to start your child in swimming lessons? This class focuses on the most elementary aquatic skills which your child will continue to build on as they progress through the swim lesson levels. At this first level, children start developing good attitudes and safe practices through supported teaching techniques that will enhance their comfort in and around the water.

Sunfish Y2: Fundamental Aquatic Skills

The objective of this class is to give participants success with fundamental skills. Participants learn to float without support and to recover to a vertical position. This level marks the beginning of true locomotion skills. Participants further develop arm and leg actions on the front and back that lay the foundation for future strokes.

Prerequisite: Completion of Otters or Minnows

Whales Y3: Stroke Development

This class is designed to build on previously learned skills by providing additional guided practice. Participants learn to survival float, swim the front crawl and elementary backstroke. The scissors and dolphin kicks are introduced and participants build on the fundamentals of treading water. Participants also learn rules for headfirst entries and learn to enter the water headfirst from a seated position at poolside.

Prerequisite: Completion of Sunfish or Starfish

Marlins Y4: Stroke Improvement

Participants continue to improve their skills and increase their endurance by swimming familiar strokes at greater distances. Participants add the arms to the scissors kick for the sidestroke. Participants also start to learn the back crawl, breaststroke, and butterfly and the basics of turning at a wall.

Prerequisite: Completion of Whales

Dolphins Y5: Stroke Refinement

The purpose of this class is to improve coordination and refinement of strokes. Participants refine their performance of all the strokes and increase their distances. Flip turns on the front and back are also introduced. This class is designed for youths that can swim at least 15 yards in each swimming stroke.

Prerequisite: Completion of Marlins

Sharks Y6: Swimming and Skill Proficiency

Do you think your child has learned all they can about swimming? Guess again! This Sharks class is designed for youths that can swim at least 25 yards in each swimming stroke. Students will continue to work on advanced stroke technique and endurance while learning advanced swimming and water safety techniques.

Prerequisite: Completion of Dolphins or equivalent course

Private Swimming Lessons

Instruction is available on a one-to-one basis for both children and adults. Private lessons are for those who want more individualized attention. Private lessons are 25 minutes in length and held rain or shine. Children must be at least 3 years old to participate in private lessons.

Swim Lesson Assessment Day Saturday, May 30, 10:00AM-12:00PM

Assessment periods will begin every 15 minutes

This is an opportunity for participants to spend a few minutes in the water with one of our experienced swim instructors. Participants will be separated into small groups based on ability. Swim instructors will review standard swimming techniques and give their recommendation of which level the participant should enroll in.

I understand that photographs may be taken of me or my child during the course of said activity, and that these photographs may be used in the City of Dublin's publications.

PLEASE CAREFULLY READ THE FOLLOWING PARAGRAPH. AMONG OTHER THINGS, IT LIMITS YOUR RIGHT TO SUE SHOULD YOU OR YOUR CHILD BE INJURED WHILE PARTICIPATING IN A CITY PROGRAM.

Waiver and Release: I specifically acknowledge that City recreation programs may include physical activity that can result in injury to participants, and I agree that should I engage in such activity that I do so voluntarily and at my own risk. THE UNDERSIGNED, in consideration of participation in this program and the use of the City's facilities and premises, HEREBY RELEASES, WAIVES, DISCHARGES, AND COVENANTS NOT TO SUE THE CITY OF DUBLIN, its officers, employees, and agents ("the City") for any loss or damage, and any claim or demands therefor on account of injury to the person or resulting in the death of the undersigned, whether caused by the negligence of the City or otherwise, while the undersigned is in, upon, or about the premises or any facilities or equipment therein. In addition, the undersigned hereby agrees to indemnify and save and hold harmless, and defend at its own expense, the City from any loss, liability, damage or cost, including reasonable attorney's fee, the City may incur due to the presence of the undersigned, in, upon, or about the City premises or in any using any facilities or equipment of the City whether caused by the negligence of the City or otherwise. If this agreement is signed on behalf of a minor by a parent or guardian, the phrases "I" and "the undersigned" in the previous paragraph refer to the child and not to the parent or guardian signing on the child's behalf. In the case of an injury to my minor child, I authorize the City staff to administer minor first aid. In the event that I cannot be contacted and it is necessary to administer further medical treatment, I will take full responsibility for any medical expenses. I HAVE READ AND VOLUNTARILY SIGN THIS RELEASE AND WAIVER OF LIABILITY AND INDEMNITY AGREEMENT. I HAVE READ THIS RELEASE.
